

Placement & Training

VIT Bhopal Placement and Training (PAT) Cell

Chapter 1 -- Placement and Training Cell Overview

1.1 VIT Bhopal operates a centralized placement system through the VIT Career Development Centre (CDC), similar to the centralized admission procedure followed across all VIT campuses.

1.2 The dedicated Placement and Training (PAT) cell coordinates with the CDC and provides training from the first semester onward to sharpen students' coding and aptitude skills, including mock interviews and group discussion preparation.

1.3 The VIT Alumni Association (VITAA) supports placements by providing inputs on current industry trends. Recruiters with a placement base at VIT include Cognizant, Tata Consultancy Services, Accenture, Wipro, Infosys, Apple, Intel, Microsoft, Goldman Sachs, and AMD, among others.

Chapter 2 -- Placement Process & Statistics

2.1 The placement process typically starts in January and continues for about a year, with hiring companies arriving on campus with offers from around July.

2.2 2025 passouts: highest package 51 LPA; 400+ students received Super Dream / Dream offers; 1100+ students placed overall.

2.3 2024 passouts: highest package 52 LPA; 700+ students placed in Dream / Super Dream offers; 1100+ students placed overall.

2.4 2023 passouts: highest package 59 LPA; 1 in 3 B.Tech students received a Super Dream offer; 1270+ overall offers.

2.5 2022 passouts: highest package 45.03 LPA; average package 7 LPA; overall placement percentage 91.15%; 1050+ overall offers.

2.6 2021 passouts: overall placement 92.83%; average package 5.4 LPA; 94% of B.Tech students placed; highest package 18 LPA.

Chapter 3 -- Internships

3.1 VIT Bhopal includes a 2-credit Internship Course in its curriculum, giving students the opportunity to gain industry experience, typically in their third year.

3.2 Recent notable student internships include placements with Google, Microsoft, Adobe, Intuit, JP Morgan, IBM, HPE, Dell, Walmart, and PayPal.

3.3 The Placement Centre has provided international internships and placement offers since 2015, placing an average of 10 students per year in MNCs across the USA, UK, Ireland, Japan, China, Israel, Taiwan, UAE, Kenya, Germany, Nigeria, and Italy.
