## Chapter 4 -- Hostel Grievance Escalation

4.1 Minor hostel issues, such as room change requests, should be directed to the hostel Warden.

4.2 Serious or unresolved hostel issues may be escalated to the Chief Warden.

## Chapter 5 -- Hostel Conduct Rules

5.1 Parents are not permitted inside hostel premises. A fine applies for violation of this rule; the source material available to this corpus does not specify the fine amount, which is not confirmed.

5.2 A fine also applies for public displays of affection (PDA). Whether this rule and its fine are specific to hostel premises or apply campus-wide is not clearly stated in the source material and is not confirmed.

5.3 Students must return to their respective hostel room by 8:30 PM. Failure to do so results in confiscation of the student's ID card, and a fine may apply; the fine amount is not confirmed in the source material available to this corpus.

## Chapter 6 -- Leaving Campus (Gate Pass)

6.1 A hosteler who needs to physically leave campus must contact their Proctor -- a faculty member assigned to each student as a personal academic advisor. The Proctor approves the leave with parental permission, after which the student may collect a gate pass from the hostel office.

6.2 This gate-pass process is separate from On-Duty (OD) leave, which is an attendance-exemption mechanism approved by the Program Chair (PC); see [od\\_leave\\_policy.pdf](#) Chapter 3. A student attending an off-campus event may need both: OD from the PC for attendance, and a gate pass from the Proctor and hostel office to physically leave.

6.3 Day scholars do not require a gate pass, as they do not reside on campus. Hostellers and day scholars carry different ID card straps.
