

Examination Regulations 2026

Office of the Controller of Examinations | Effective from the Academic Year 2026–27

Chapter 2 — Attendance

2.1 A student must maintain a minimum of 75% attendance in each registered course during a semester to be eligible to sit for the end-semester examination in that course.

2.2 Attendance between 65% and 75% may be condoned by the Head of Department on documented medical or extraordinary grounds, subject to a written application submitted before the last instructional day of the semester.

2.3 A student below 65% attendance in a course shall not be permitted to appear for that course's end-semester examination and must re-register for the course in a subsequent semester.

Chapter 4 — Absence from Examinations

4.1 A student unable to appear for a scheduled mid-semester or end-semester examination must notify the Examination Cell in writing within 3 working days of the missed examination.

4.2 Absence on grounds of a personal or family event requires supporting documentation and is evaluated by the Academic Office on a case-by-case basis; approval is not automatic.

4.3 Medical Absence. A student absent from an examination due to hospitalisation or medical incapacity must submit a medical certificate, attested by a registered medical officer, to the Examination Cell within 72 hours of the missed examination. Upon verification, the student is eligible to apply for a re-test through their Head of Department. The re-test application must be submitted no later than 7 calendar days after the original examination date. Re-test scheduling is at the discretion of the Examination Cell and is typically conducted within 3 weeks of the original examination.

4.4 A re-test granted under Clause 4.3 is recorded on the student's transcript as "RT" and carries no academic penalty relative to the original examination.

Chapter 6 — On-Duty (OD) Leave

- 6.1** On-Duty leave may be granted for participation in official university-sponsored academic, cultural, or sporting events, subject to prior written approval from the Head of Department at least 5 working days before the event.
- 6.2** OD leave does not exempt a student from Clause 2.1's minimum attendance requirement; OD-approved absences are recorded separately and reviewed by the Academic Office at the end of the semester on request.
